Wisconsin Building Movers
Minutes of meeting April 4, 2018
Wisconsin Rapids, WI.

October 20, 2018

The meeting was called to order by President Randy Baines at 1:20 P.M. The minutes and treasure report of previous meeting were read by members. Motion by Mike Peterson to accept minutes and treasure report as read, seconded by Mel Virrueta.

Old Business

Discussion on the new logo for the WBMA. Mel and Carrie Virrueta showed what the new logo would look like, in color and the changes that were made at the last meeting. Only changes to be made were beams under the house, and recycling. This was approved by the members and vote taken, with Randy Baines to accept, seconded by ken Shanahan.

Carrie Virrueta drew up a web-site and explained the changes that could be made. One change would be a map of Wisconsin, with High-lights of where the Movers locations are, so it would be easier for the customer, to locate a mover in their area. Web site to have more pictures on it of moves being made. Also do a facebook page on the moving Industry, to give more people, knowledge of the moving Industry and the importance of recycling buildings vs to demolition.

New Business

A discussion on lights and wiring. Kenny Shanahan brought his lighting system to demonstrate, how the system was always ready to just put up for a move. Also if being checked on a move, it was easy to explain the lighting system. Randy Baines explained his lighting system also.

It was brought up that the Mid-States Convention, was to be in March 14-15-16 2019 in Wausau, WI. Possible to be a vender, promoting the Wisconsin Building and House Movers Association. Offering some door prizes, showing pictures of movers, and Information about our goals as an association. More ideas?
